

# EASTER EGG FRIEND CRAFT

Crafting this charming Easter Egg Friend is a breeze and adds a delightful touch to any creative session!

## MATERIALS:

- Easter Egg Template Printable
- Crayons, markers, paint sticks, or paint
- Scissors
- Glue
- Googly eyes- OPTIONAL

## DIRECTIONS:

1. Use your favorite coloring tools to bring your Easter Egg Friend template to life.
2. Carefully cut along the outer edges of the egg and rectangle patterns.
3. Draw an adorable face on the large Easter egg to give your monster personality. For extra cuteness, consider adding googly eyes.
4. Take both the long and short rectangles and fold them back and forth, alternating sides. These rectangles will serve as the arms and legs of your Easter Egg Friend.
5. Use glue or a stapler to attach the folded rectangles (arms and legs) to the main large Easter egg.
6. Take the small Easter Eggs and glue them to the ends of the folded rectangles. These Easter eggs act as the hands and feet of your Easter Egg Friend.

 Crafting your Easter Egg Friend is a delightful and creative way to celebrate Easter. Have fun with the process, and let your imagination run wild!
